# WHAT OUR CUSTOMERS & SERVICE USERS THINK

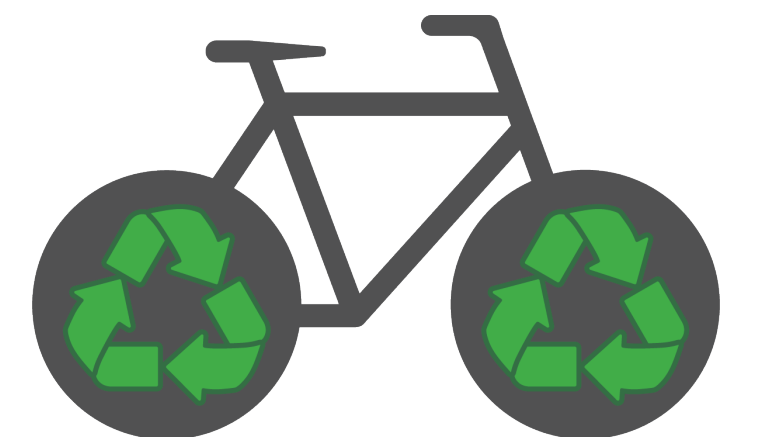

**“Wow! 5 stars are not enough! I have just arrived home from taking my son for a 1:1 lesson and he is now riding a bike independently within 30 minutes. I can’t thank RAB enough!”**

**“A great concept. Staff here a very knowledgeable and super helpful. Highly recommended.”**

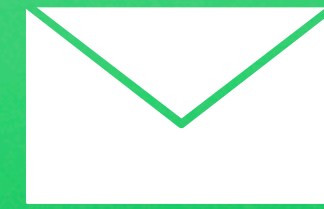

**“The bikes have been a great success with the young people. One of the young people that received a bike has attended school more often. The young person mentioned ‘I can now go out with my pals and be the same as them.’”**
